Thursday - November 10, 2011*

A Joint Meeting With

The William Penn Chapter of AIIM

Our Speaker

Steve Markey
nControl, LLC

Steve Markey is the Principal of nControl, a consulting firm based in Philadelphia. He has over ten (10) years of experience in the technology sector, and his industry experience includes: Pharmaceuticals, Healthcare, Financial Services, Government, Legal, Insurance and Business Services. Steve is also an Adjunct Professor at various local colleges and universities (Drexel University, SJU, etc.). He is also a participating member of ARMA who currently serves on the GARP Education Taskforce (GETF). Steve holds multiple certifications and frequently presents on cloud computing and information governance.

Our Topic

Cloud Computing and RIM

This presentation will provide an overview on this new computing paradigm, including how it is used for records management purposes. Additional topics include:

- A business case for going to the cloud,
- Thought leadership on selecting a Cloud Service Provider (CSP),
- Security guidance when going to the cloud, and
- A real world case study.
